Home Page

Once you have logged in you will automatically be on the home page.

The image shows a smartphone screen with the Sunnyside app interface. The top navigation bar is green and contains the text 'All Posts'. Below this is a search bar with the placeholder text 'Search Posts'. A notification banner for a UV alert is visible. The main content area shows a post by Francesco Lopez with the text 'Omar is very excited to go to school today' and a photo of a smiling boy. At the bottom, there is a navigation bar with five icons: a home icon, a calendar icon, a plus sign, a bell icon, and a gear icon. Colored circles and lines connect these icons to callout boxes that describe their functions.
